UNIQUE SUPER GREENS

**Tatsoi**

- one of the richest sources of vitamin C
- 2x the calcium of an equal serving of milk
- full of vitamins, minerals, and health-promoting compounds
- has glucosinolates, which science shows are converted to cancer fighting compounds in the body
- has carotenoids, which promote eye health
- mild, refreshing flavor

**Chijimisai**

- superfood with great taste
- contains four times as much vitamin A as carrots
- velvety texture and lightly umami flavor
- remarkable spinach substitute
- delicious in stir fries, soups, salads, lasagna, or atop pizzas
